

Year 11 Chemistry Preview Sheet

Exam Board: AQA

Syllabus: 8462

Module 1

C8: Rates and equilibrium

C14: Using Earth's resources (Water)

C9: Crude oil

Module 2

C10: Organic reactions

C11: Polymers

C15: Using Earth's resources (Life cycle assessment, recycling)

C12: Chemical analysis

Modules 3 – 4

Required practical completion and revision of the course
