

Pupil Premium Plan – 16 - 17

Space Studio West London received a total of £28504 for the period September 2016 - August 2017 as a direct grant from the Department for Education. During this year, approximately 25% of students at the academy were counted as attracting Pupil Premium Grant funding, meaning that they are either currently receiving Free School Meals or that at some point in the past 6 years they have been in receipt of these.
